# Cell Phone Policy – Please Read

Updated: June 2016

Dear Parents/Guardians,

In consultation with the School Leadership Team and the Executive Board of the PTA, the PS 14 cell phone policy is as follows:

- **All cell phones that are brought to school are to be turned off before entering the building.**
- **All cell phone watches that are brought to school are to be turned off before entering the building.**
- All cell phones and cell phone watches must be kept in the child's book bag for the entire day.
- Cell phones and cell phone watches may be turned back on after dismissal and the child has left school grounds.
- Students who violate the cell phone policy will have their phones taken away. Parents will have to come to the school and pick their child's phone up in the main office.
- **The school takes no responsibility for lost/stolen/damaged cell phones or cell phone watches.**

**Cell phones are very expensive and the school strongly discourages parents from sending their children into school with electronics of any kind.** If you should need to speak to your child or send a message in case of emergency, please call the main office at 718-822-5341.

Thank you,

Ira Schulman
